In the name of Allah, the Abundantly Merciful, the Intensely Merciful

Praise be to Allah, Lord of the worlds.

May the peace and blessings be upon Muhammad and the progeny of Muhammad, the Imams and the Mahdis.

INTRODUCTION

The everlasting way of Allah requires for His vicegerent to be known through a divine and decisive law which would never fall behind its companion, nor have its links broken not even for a single day, in order that a false claimant would be able to claim it or claim one of its links. The links of the divine law are the text, the knowledge, and the banner of allegiance to Allah. And Allah SWT has made the vicegerents known in His Holy Book by these links. And the following is an example concerning Muhammad PBUHAP, the master of creation:

Regarding the text, the Almighty said, ﴿Those who follow the Messenger, the Ummi* prophet, whom they find to be written in what they have of the Torah and the Gospel, who enjoins upon them what is right and forbids them what is wrong and makes lawful for them the good things and prohibits for them the evil and relieves them of their burden and the shackles which were upon them. So they who have believed in him, honored him, supported him and followed the light which was sent down with him — it is they who will be the successful ones.﴾ Surat *al-Araf* (The Heights) 7:157.

The Almighty also said, ﴿And when Jesus son of Mary said, “O children of Israel, indeed I am the messenger of Allah to you confirming what came before me of the Torah and bringing glad tidings of a messenger to come after me, whose name is Ahmed.” But when he came to them with clear evidences, they said, “This is obvious magic.”﴾ Surat *as-Saff* (The Ranks) 61:6.

Regarding the knowledge, the Almighty said, ﴿It is He who has

*. Ummi (pl. Ummiyeen), meaning in Umm al-Qura (Mother of the Villages), the village around which all other villages center. At the time of Prophet Muhammad PBUHAP, it was Mecca, and today it is al-Najaf in Iraq. —Trans.

sent among the Ummyeen a messenger from themselves reciting to them His verses and purifying them and teaching them the Book and wisdom — although they were before in clear error. ﴿ Surat *al-Jumua* (Friday) 62:2.

Regarding the call to Allah and His supremacy, the Almighty said, ﴿And why do you not believe in Allah while the messenger invites you to believe in your Lord and He has taken your covenant, if you were believers?﴾ Surat *al-Hadid* (The Iron) 57:8.

Despite the clarity of the truth of Muhammad PBUHAF the beloved of Allah, the brightness of his proof, the evidence of his honesty and the fulfillment of the links of the divine law shown above; despite all the effort he exerted in warning the Muslims and fortifying them and specifying the means of guidance and salvation for them, we still find that a substantial number of people follow the claimants of falsehood like Musaylimah and Sajah.

THE FIRST MUSAYLIMAH AND HIS COMPANIONS

Musaylimah the Liar had become a Muslim and later claimed prophethood in the year 10 A.H.. He claimed partnership in prophethood with the Messenger of Allah ﷺ. He wrote to the Messenger of Allah ﷺ saying, "I am a partner with you, you have half of the earth, and I have the other half, but Quraysh is an unjust nation." So the Messenger of Allah ﷺ wrote back and said, "From Muhammad the Messenger of Allah to Musaylimah the Liar: After all [the introductions], the earth belongs to Allah and He bequeaths it to whomever He pleases of His servants, and the best outcome is for the righteous." *Tarikh al-Yaqubi*, p. 130.

Banu Hanifa and others who claimed to follow Islam ended up following Musaylimah the Liar, while other tribes followed other false claimants such as Talha bin Khuwaylid who also claimed prophethood at the time of the Prophet ﷺ. Talha used to order them to abandon prostration in prayers saying, "Allah does not establish [a decree] by covering your faces [in dust] nor disfiguring your backs."

Moreover, a group of savages and thugs followed Sujaah bint al-Harith, who also claimed prophethood. And when she went to Banu Hanifa in al-Yamama, the news of her claim reached Musaylimah the Liar, so he became frightened and sent someone to ask her for his safety so she granted him that. He then came to her and said, "We have half of the earth and Quraysh would have had the other half if they had been just, so Allah gave you the half that Quraysh turned down." So she said to him, "Come down," and he said, "Have your companions leave," so she did, and he staked a tent, fastened it and then he met her inside. She said to him, "What has your Lord revealed to you?" He said, "Have you not seen your Lord, what he did with the pregnant one, He brought out from her the breath of life that goes about, between the dermis and organs." He mentioned another saying to her and she said, "I bear witness that you are a prophet." Then they committed adultery. Then a caller cried out, "Musaylimah, the messenger of Allah, has relieved you from two prayers which Muhammad has brought to you: the Fajr prayer and the Isha prayer." *Al-Kamal fi al-Tareekh*,

Vol. 2 p. 355.

These false prophets are liars who were followed by savages and thugs in the early time of Islam despite their lack of proofs and evidences to support their false claims, and what is strange is that their matter became more extreme after the death of the Messenger of Allah PBUHAP even though their morally corrupt ways were enough to prove that they are liars!!

MUHAMMAD PBUHAP: THE FIRST YAMANI DURING THE FIRST JAHILIYYA

There is no doubt that the Messenger of Allah Muhammad PBUHAP was mentioned by name and attributes to the People of the Book. Among his attributes is "the Yamani", and in clarifying this, Imam Ahmed al-Hasan PBUH says,

"Habakkuk, Chapter 3:

*²O LORD, I have heard the report of you,
and your work, O LORD, do I fear.
In the midst of the years revive it;
in the midst of the years make it known;
in wrath remember mercy.

³God came from Teman,
and the Holy One from Mount Paran. Selah
His splendor covered the heavens,
and the earth was full of his praise.

⁴His brightness was like the light;
rays flashed from his hand;
and there he veiled his power.

⁵Before him went pestilence,
and plague followed at his heels.*

The meaning:

{God came from Teman}: meaning God (Allah) came from Yemen.
And {the Holy One from Mount Paran}: meaning the Holy One

came from Mecca.

And Allah is far above coming from the sky, let alone from the earth, because coming and going require movement and therefore occurrence, thus negating the absolute divinity, so it cannot be considered that the one who comes from Teman or Yemen is Allah SWT, or that the one who comes from Paran is the Holy One SWT; for this as well as the other attributes such as the hand, which Allah is far above. ﴿His brightness was like the light; rays flashed from his hand; and there he veiled his power. Before him went pestilence, and plague followed at his heels.﴾

Rather, the one who comes is the Servant of Allah Muhammad PBUHAP and his progeny PBUT after him, as they are from Mecca, and Muhammad and his progeny PBUT are Yamani as well ...

And the fact that Teman is Yemen has been mentioned even in the Gospel in the words of Jesus PBUH when he described the Queen of Yemen as the Queen of the South (or Teman).

Matthew Chapter 12: ﴿⁴²The Queen of the South will rise up at the judgment with this generation and condemn it, for she came from the ends of the earth to hear the wisdom of Solomon, and behold, something greater than Solomon is here.﴾” *A Letter Proving the Unity of Personalities of the First Mahdi, the Riser and the Yamani* by Alaa al-Salim, page 30.

So it is now clear that the Messenger of Allah PBUHAP was described as the Yamani to those waiting in the first Jahiliyya, and was also mentioned to them by his name. The Almighty says, ﴿“... and bringing glad tidings of a messenger to come after me, whose name is Ahmed.” But when he came to them with clear evidences, they said, “This is obvious magic.”﴾ Surat *as-Saff* (The Ranks) 61:6.

This is an excerpt of a dialogue of Imam al-Retha PBUH showing evidence to the Catholicos of the Christians:

﴿... The Catholicos said to him, “Describe him (meaning the Messenger of Allah PBUHAP).” He said, “I only describe him as Allah has described him; he is the man of the camel, the staff and the cloak, ﴿The Ummi prophet, whom they find written in what they have of the Torah and the Gospel, who enjoins upon them what is right and forbids them what is wrong and makes lawful for them the good things and prohibits for them the evil and relieves them of their burden and the

shackles which were upon them﴾, he guides to the best way, the fairest method and straightest path. I ask you, O Catholicos, by the right of Jesus, the Spirit of Allah and His Word, do you find this description of this prophet in the Bible?" So the Catholicos bowed his head down deeply and knew that if he denied the Bible, he would have committed blasphemy so he said, "Yes, this description is in the Bible, and Jesus mentioned this prophet in the Bible. It is found in the Bible and I have acknowledged what is in it that describes Muhammad . . ." When the Catholicos and the Exilarch heard this they knew that al-Retha PBUH was a scholar of the Torah and the Gospel, and so they said, "By Allah he has come with something we are not able to refute nor reject except by disbelieving in the Gospel, the Torah and the Psalms. Moses and Jesus have given glad tidings about him. But it was not authentically established for us that it is this Muhammad, as his name is Muhammad yet it is invalid for us to acknowledge his prophethood for you, and we are in doubt whether it was your Muhammad." So Imam al-Retha PBUH said, "You use doubt as a proof, has Allah in the previous times or the latter from Adam until this day ever dispatched a prophet named Muhammad? And you find him in some of the books that Allah has sent down upon all the prophets besides Muhammad?" So they refrained from responding to him.﴾ *Bihar al-Anwar*: Vol. 49, p. 75.

These texts are clear and evident in proving the true claim of the Messenger of Allah PBUHAP, whereas the hands of the group of liars (Musaylimah and his companions, may Allah curse them) were completely empty of these divine texts.

AHMED AL-HASAN: THE PROMISED YAMANI IN THE SECOND JAHILIYYA

The Messenger of Allah Muhammad PBUHAP is similar to his son Ahmed, the first Mahdi, who is promised to people waiting in the second Jahiliyya, the time of the alienation of Islam, when only its name remains, ﴿Islam started as strange and will return as strange, so blessed are the strangers﴾, as they were both mentioned by their names at one time and as the Yamani at other times, and many narrations have clari-

fied this.

Furthermore, Imam Ahmed al-Hasan PBUH says, “The matter of the Yamani is not new, moreover Muhammad PBUH was also known to the People of the Book and promised as the Yamani. This is why the Jews left the Promised Land, which is very important to them, and lived in the land of Yemen, meaning the land historically named as Yemen and not just the land which is currently known as Yemen. And al-Madina is also from Yemen. And the Jews in Yemen still take it as their home to this day because they are also promised the Yamani and they wait for him, meaning Muhammad PBUH and the Yamani from his progeny, exactly as the promise mentioning Ahmed, and it applies to more than one personification in different times.

So the first Yamani Muhammad was dispatched in Yemen, meaning in Mecca because it is from Yemen. And the second Yamani from the progeny of the first Yamani is dispatched in the East in the journey of the return of the Abrahamic [religion] to its original home, Iraq. This is why most of the graves of the Imams were in Iraq although they were not born in Iraq. This is the will of God, that they may prove the return of the Abrahamic religion to Iraq by the Yamani promised in the three religions.” *A Letter Proving the Unity of Personalities of the First Mahdi, the Riser and the Yamani* by Alaa al-Salim.

And this is the excerpt from the narration of Imam al-Baqir PBUH:

He PBUH said, ﷻ “There is no banner more guided than the banner of the Yamani; it is a banner of guidance, because he calls to your Imam [al-Mahdi PBUH]. So if the Yamani emerges, the selling of weapons becomes forbidden upon people and upon every Muslim. And if the Yamani emerges, go to him for his banner is a banner of guidance. And it is forbidden upon any Muslim to turn away from him, and whoever does so is from the people of hell, because he calls to the truth and to a straight path.” ﷻ *Al-Ghaiba* by al-Numani, p. 264.

It is clear from this narration that the Yamani is a vicegerent from the vicegerents of Allah and obeying him is obligatory. The proof is that he calls to the truth and to the straight path at all times. In addition, whoever turns away from him is from the people of hell. And if the matter is so, then the path to knowing the Yamani with full certainty is the same divine law mentioned above.

As for the text, Imam Ahmed al-Hasan proved his right through the Will of the Messenger of Allah PBUHAF written on the night of his death in which he PBUH is mentioned by name and attributes. Moreover, the Prophet PBUHAF described the Will as a text preventing misguidance, as narrated by both the Shia and the Sunni sects. Also, a book by Imam Ahmed al-Hasan (*The Holy Will, the Book that Protects from Misguidance*) has been recently published on the official website of the blessed Yamani call, in which he clarified and proved his right and truthfulness and that he is the personification of the will with undisputed evidence from the Holy Book and the narrations and by using reason. Moreover, he invited those who call themselves scholars of religion to respond to its content, and we are yet to receive a response from any of them.

As for the knowledge, the books written by Imam Ahmed al-Hasan are approaching fifty to date, and they contain secrets of the divine knowledge concealed from the people from many different aspects. At times, these secrets are linked to the Quran, the Torah and the Gospel; and at other times, to the true ideology concerning Allah SWT, such as His attributes, Throne, Chair, kingdom of heavens and prophets etc.; and at other times they concern what is permitted and forbidden by Allah SWT. And once again, Imam Ahmed al-Hasan opened his heart and invited those who insist on calling him a liar and reject his truth with no proof, to respond to his books if they truly have knowledge. Otherwise, it would be incumbent upon them to submit and believe in him.

After many years of these people remaining silent, Imam Ahmed al-Hasan on his official Facebook page recently invited them to discuss other topics which have invalidated the false arguments of atheists and have undoubtedly proven the existence of Allah, and it is known that this topic is of great importance. The following text is Imam Ahmed al-Hasan's call to them:

"I will try to present scientific topics about creation and proofs of the existence or the non-existence of a god.

And these scientific topics are important and what I see in the scientific field is that atheism is scientifically victorious and by a very large margin over those who claim to represent the religions. So those who call themselves scholars, whether Shia, Sunni, or Wahhabi Mus-

lims, or Christians or Jews, respond to scientific topics without even understanding what the scientists of evolutionary biology and others present, so they are like those who misunderstood and thus answered incorrectly. For this reason, I have written a book that is almost complete now, and in this book I discuss the most important scientific theories that are proven experimentally or mathematically and theoretically. And Allah willing, I will publish it when I find that there are people who are intellectually qualified to understand what I have written, because it needs considerable knowledge about sciences like historical geology (or the history of the earth), ancient archeological history (archaeology), evolutionary biology, theoretical physics, cosmology, anthropology, genetic engineering, medicine, philosophy and others.

Questions for discussion are as follows:

What are the opinions of the scholars of the Shia, Sunnis, Wahhabis and Christians concerning the theory of evolution, or the theory of Darwinism as some people know it?

And what is the scientific refutation of it for whoever denies it?

And what is the method of proving a god within the boundaries of the earthly life to those who accept the evolution theory?

And what is their opinion concerning the selfish gene theory?

And what is their opinion concerning the Higgs field and the Higgs boson that is considered responsible for how fundamental particles acquire mass, which was recently discovered through the experiment of the Large Hadron Collider?

What is their opinion about the Membrane Theory (or M-theory) and the existence of more than four dimensions in this universe, eleven dimensions so far?

What is their opinion concerning what Professor Stephen Hawking recently presented about the origin of the universe and its beginning, and that the M-theory and Quantum Theory are enough to explain the appearance of the universe from nothing, and that in order for the universe to appear from nothing it needs nothing more than the existence of a law of gravity that is in existence from the beginning, according to the Theory of Everything or the M-theory and that the universe can appear without the need to impose the existence of a god?

What is their opinion about what the physicists say that the sum of the positive energy and the matter and the negative energy and the antimatter in the universe equal zero?

When did Adam live on this earth? And I do not want a specific date from them, but a general one, for example tens of thousands or hundreds of thousands or millions of years.

Where did the flood of Noah happen?

When did the flood of Noah happen? And I do not want a specific date from them, but a general one, for example tens of thousands or hundreds of thousands or millions of years.

And how did the flood happen and how were the waves like mountains, as mentioned in the Quran?

Did the flood include the entire earth?

Did all living creation on the earth perish by the flood of Noah?

If their answer is yes and that it encompassed the entire earth and that all living creation perished, or at least the animals on the earth, then how do they explain the endemic animals such as the marsupials of Australia and the fossa in Madagascar and others?

These scientific questions are related to proving or negating the existence of Allah. Therefore, those who claim to represent the religions must answer them with answers that agree with modern science, and not answers of narrations or religious texts of presumptive issuance or significance that go against the reality that is scientifically proven in an absolute manner, such as the facts of the geological history of the earth and what its layers contain. Therefore, such religious texts are either incorrect or they are misinterpreted because they go against proven scientific facts.

Therefore, what is requested from the scholars of different religions is scientific answers to the questions above. And I believe that they are completely incapable of presenting any valuable scientific responses. Moreover, I found everything I have read to be due to an incorrect understanding of the scientific issues and their refutation is also due to their incorrect understanding; meaning that they assume, for instance, that the theory of evolution says such and such and they refute this statement and consider themselves to have refuted the theory of evolution, whereas they are refuting their own statement and their own misunderstanding of the theory of evolution and not what the theory

of evolution actually says. What I believe is that the phase that we are living in today, and what is presented in these scientific topics that are directly related to religion and to proving the existence of Allah SWT, is much larger than the ones who claim to be scholars of the religion. And the writings and statements of the scholars of the Shia, Sunnis and Christians which I have read are naive writings and statements that are only good for local distribution and for deceiving some of their numbed followers who are satisfied with ignorance, and they are good for nothing more. And their refutations cannot convince a person who is well-informed of the science of evolutionary biology, genetics and physics for example. Moreover, this person will look at them as ignorant and naive people and liars, nothing more.

And Allah willing, I will discuss with you on this page some of their statements and writings so you can see for yourselves what their scientific level is and of what use they are. And you will know why they cannot find a scientific method for confronting Ahmed al-Hasan, thus they resort to lying and slander or using the aid of the military, who are their followers, to attack the office of Ahmed al-Hasan in al-Najaf, or to attack the house of Ahmed al-Hasan with massive military forces. So now the reason will be made very clear to you, which is that the presence of Ahmed al-Hasan among the people exposes them and shows their ignorance.

And Allah willing, I will show you on this page their scientific and intellectual void.

And what I hope from the lettered ones is that they put a little effort into this issue and learn and read, as by Allah it pains us that they fall victims to a crafty one who takes advantage of their ignorance in a particular scientific or religious matter, thus pushes them away from the truth, like what has happened today as the clerics of misguidance have deceived them with the lie that it is obligatory to imitate the non-infallible.

And whoever adopts a certain opinion of theirs, let him mention it here and Allah willing I will read what is written and respond to it through my writings.

As for me, I have answered these questions and more in the book *The Atheism Delusion* and Allah willing I will publish it soon. It also contains what can be called a scientific debate with Professor Rich-

ard Dawkins, who is considered one of the most significant contemporary scientists of evolutionary biology, and Professor Stephen Hawking, who is one of the most significant scientists of theoretical physics and applied mathematics, and he is specialized in cosmology and has a proven theory about the radiation of the black holes.

I am waiting for the response of the scholars to all of these questions in order to begin a debate between them and myself about these topics, if they refuse to debate concerning the topics I presented to them earlier. And I suggest to them that they seek the aid of university professors to understand these topics and terms, so that they do not tire me in the debate."

And here is the link for the official Facebook page:

<http://www.facebook.com/Ahmed.Alhasan.10313>

Once again, we stand in wait for them to accept this invitation, in order for the people to see who the true scholar is and discern him from the fake one who does nothing more than to fool the people and deceive them.

As for the third link of the divine law (calling to Allah and to His supremacy), Imam Ahmed al-Hasan ṔBUH is the only man on the face of the earth calling to the supremacy of Allah and rejecting the supremacy of people, which is represented today by elections and the democracy of the U.S. (the greater Dajjal). This singularity is a sign from the signs of Allah that show the truth with all clarity for those seeking it. Could anything be more simple than recognizing the man of truth manifested as a sole caller to Allah?

MUSAYLIMAH IN A NEW GARMENT: NASSER MUHAMMAD "THE LIAR"

Outlined below is a sample of the lies that demonstrate the case of the infidel Nasser Muhammad al-Yamani, who falsely claims to be Imam al-Mahdi. The texts that I present here are his exact answers published on his official website, known as the "The Nation's Mahdi".

I convey them in their original form found on his website, and anyone can refer to that pitiful website and read them for himself:

1. This liar claims to be more knowledgeable than Muhammad, the Messenger of Allah PBUHAP! In his statement directed to whom he called "his dear brother the custodian of the two holy sanctuaries", Abdullah bin Abdul Azeez, and the rest of the leaders and clerics, showing his knowledge and describing himself as the expert, he says:

"... and then the Messenger of Allah discussed with his teacher Gabriel PBUT the issue of this expert [he means himself] who has more knowledge about the identity of the Absolutely Merciful than Muhammad the Messenger of Allah, the seal of the prophets and messengers, and who has more knowledge than the teacher Gabriel, PBUH ... And none are able to know the Greatest Name of Allah except the Yamani, the expert on the Absolutely Merciful ... So come, O religious clerics and Muslims so that I can teach you the truth about the Greatest Name of Allah ... And He has not told you about His Greatest Name that He has sequestered in the knowledge of the unseen when He made it a truth within Himself known by those who worship Allah as He should be worshipped, His unworthy and little worshipper between His hands, who knows His Greatest Name ... And by Allah, the awaited Yamani is the most knowledgeable and honorable worshipper in the kingdoms of the heavens and the earth."

Moreover, he does not even acknowledge his own infallibility when he answers a question about the infallibility of the Imams PBUT:

"There is not a single human who is infallible from mistakes in his life. And Allah forgives whoever repents and returns. And in the Book, I have not found one person from all the people who is infallible from mistakes even if once in his lifetime ..."

So this man is announcing his disbelief and wickedness, and claims to be more knowledgeable than the Messenger of Allah PBUHAP whose infallibility he denies. Moreover, he sees that the Holy Messenger did not worship Allah as he PBUHAP should have or according to his manner of worshipping Allah! Does any believer in Allah and in His religion see apostasy occur more clearly than this?!

2. This infidel thinks he is the twelfth Imam from Ahlulbayt PBUT; moreover, he thinks he is the best of them all. This is despite his confession that he does not know their names:

"Allah and his Messenger did not inform me of their names because their names are not important. Rather, the wisdom is in showing their number and that is so that I know I am the twelfth Imam from the purified Ahlulbayt. And if they were present, they would not have been able to do anything except to follow me. And above every knowledgeable one is one more knowledgeable."

But at the same time he sees Abu Bakr and Umar as Imams and thanks them for their stance, without which great turmoil among Muslims would have ensued! He says,

"And I, the awaited Mahdi, pray and send blessings upon Imam Ali, Abu Bakr and Umar. And then I pray and send much blessings upon them and I bear witness to Allah that the successor after Muhammad PBUHAF is Imam Ali, but he remained silent concerning his rights in the Book. But I thank Abu Bakr and Umar because if it were not for Umar, great turmoil would have ensued among the Muslims ... And may Allah forgive Umar, as I do not blame him for choosing Abu Bakr even though he was not made a successor in the Book. But Umar bin al-Khattab saved the Muslims from great turmoil which would have ensued among the Muhajireen and the Ansar. And I am the true awaited Mahdi from your Lord, I pray upon Imam Ali, Abu Bakr and Umar..."

And he answers a person named Uthman about the twelve imams, may the peace of Allah be upon them all, saying,

"O Uthman, their names do not concern us, rather, only their number. And what benefit is there in knowing their names? Is it so you can dig up their graves and follow them? Rather you should follow the awaited Mahdi that is present among you now. If you want the truth by Allah, O Uthman, my Lord only informed me of their number and has shown me their pictures, but has not told me their names as a wisdom from Allah so that you do not dig up their graves ..."

This is although Allah SWT says, ﴿³³ Indeed, Allah chose Adam and Noah and the family of Abraham and the family of Imran over the worlds — ³⁴ Descendants, some of them from the others. And Allah is Hearing and Knowing.﴾ Surat *Aal-e-Imran* (The Family of Imran) 3:33-34. So if the divine vicegerents were descendants, some from the others, then how does this fool (the vicegerent of Iblis) fail to know the names of his forefathers the vicegerents? Unless he is a foundling child as it is evident!

3. Nasser "the Liar" Muhammad alters the obligatory prayers, he says, "... O Muslim clerics, I, the awaited Mahdi, bear Allah as my witness that He has made it an obligation for his Prophet to pray fifty prayers during the night and day, and made it an obligation on each prayer to be two rakats ... And all praise be to Allah Lord of the worlds, the Abundantly Merciful, the Intensely Merciful, who reduced the prayers for the Muslims from fifty prayers during the night and day to five obligatory prayers with two rakats in each one, so that the total number of rakats becomes ten in the five obligatory prayers ... and then Allah has also ordered you to shorten your prayers ... from two rakats to one except in the case of the Imam who leads your prayer."

It is well-known by all Muslims that the number of rakats in the prayers are seventeen when at home and eleven when traveling, and I do not know how the prayers became ten rakats when at home and five when traveling according to this infidel!

He is the new Musaylimah; we have clarified previously that the caller of the first Musaylimah cried out, "Musaylimah, the messenger of Allah has relieved you from two prayers which Muhammad has brought to you: the Fajr prayer and the Isha prayer." So the daily prayers according to him were eleven rakats. And today, the new Musaylimah changes it to ten rakats when at home and five when traveling! He does this while claiming to support the Quran and the narrations of Muhammad, the Messenger of Allah PBUHAF!

4. He not only believes that humanity originated from incest, but he also believes that a vicegerent of Allah (Abel) married his sister, and I seek refuge in Allah from that, he says this happened through the marriage of the sons of Adam to their sisters:

"... after Adam and Eve came out from the holy rank and into the wilderness of this earth, the legislations about marriage had not yet come, so they used to marry one another as the legislation concerning marriage had not yet come, until they began reproducing. And then the guidance from Allah came down and whoever followed the guidance would not be misguided nor be a wrongdoer ... so when the guidance from Allah came to them, incest became forbidden and the laws of the straight religion were given to them so whoever followed the guidance from Allah, there would be no fear concerning them nor would he grieve."

I have only witnessed such heresy with Musaylimah the Liar, Sujaah and the ones who follow in their footsteps. And this liar seems to be their inheritor with his disbelief.

5. From among the examples of his heresy is his interpretation of a holy verse:

“﴿And among them is he who is unjust toward himself, and among them is he who is moderate, and among them is he who is foremost in good deeds.﴾ The truth has been stated by Allah the Great, Surat *Fatir* (Originator) 35:32. As for the ones who are unjust toward themselves, they are the people of hell and wretched is the settlement. As for the ones who are moderate, they are the people of the right. As for the ones who are foremost in good deeds, they are the ones brought near . . . ”

It seems that he was ignorant of the fact that this verse speaks about the ones purified by Allah whom He made inheritors of His Book. Allah SWT says, ﴿Then we bequeathed the Book to those We have chosen of Our servants; and among them is he who is unjust toward himself, and among them is he who is moderate, and among them is he who is foremost in good deeds by permission of Allah. That is the great favor.﴾ Surat *Fatir* (Originator) 35:32. And certainly, the ones mentioned in this verse who are unjust toward themselves cannot be the people of hell whose settlement is wretched as this imposter claims. Rather, Allah SWT says that these people are from the people of paradise in the verse which immediately follows, ﴿[For them are] gardens of perpetual residence which they will enter. They will be adorned therein with bracelets of gold and pearls, and their garments therein will be silk.﴾ Surat *Fatir* (Originator) 35:33.

And the true interpretation of this has been clarified by the Riser of the progeny of Muhammad, Imam Ahmed al-Hasan in his book *The Allegories*, and I call everyone to compare the answer of the inheritor of Musaylimah the Liar with the answer of the true and right inheritor of Muhammad PBUHAP the Messenger of Allah, who is mentioned in his sacred Will by name and by his attributes.

6. Since this fool is called Nasser, and since his father's name is Muhammad, let us examine his response when asked why his name is not similar to the Prophet's name PBUHAP nor is his father's name similar to the Prophet's fathers name, as mentioned in many narrations. He says,

"Someone asked, 'Some narrations of the Sunnis mention the name of the awaited Mahdi's father to be Abdullah so how is your father's name Muhammad?' And the one who has the knowledge of the Book [meaning himself] answered, '... Allah has made the similarity to the name Muhammad occur in my name through my father's name. Or do you deny that my name is Nasser Muhammad? Therefore the name Muhammad is similar to my name, but Allah has made the similarity between my name and the name Muhammad occur through my father's name. And there is immense wisdom in this as the name carries the news and the banner of this matter, and this is because Allah did not send the awaited Mahdi as a prophet or a messenger; rather, He sent him as a supporter [Nasser, in Arabic, means supporter] of Muhammad — peace be upon him and his progeny. And by this, the immense wisdom in the similarity is fulfilled."

And as such the deceivers evade clear texts.

7. His flattery of treacherous tyrants, as we learned of before. So take a look at his flattery of another tyrant and traitor,

"... praise be to Allah who fulfilled the oath of His servant with the truth as President Ali Abdullah returned from the Kingdom of Saudi Arabia safe and sound, and praise be to Allah for his safety and many, many congratulations to the people of Yemen, its government and its citizens. The awaited Mahdi still eagerly awaits your return in order to seek the judgement of the judge of the Remembrance concerning that upon which you disagree. So be from those who are thankful Mr. President and save the country and the worshippers by handing over the global Islamic rulership to the awaited mahdi, Nasser Muhammad al-Yamani ..."

Moreover, he traveled to Iraq to protect the cursed tyrant Saddam Hussein before the American invasion of Iraq and he wanted to justify his stance so he said,

"The awaited Mahdi Nasser Muhammad al-Yamani stood by the side of Saddam Hussein against Bush Jr. and the satans of mankind who are more evil than the Sufyani Saddam Hussein. And he is called a Sufyani because he is from the offspring of Muawiya bin Abi Sufyan..."

And when he left Iraq and Baghdad fell into the hands of the U.S., this liar considered his return to Yemen to be the beginning of his mi-

nor occultation following his major occultation. He says,

"I then returned to Yemen. And after my return to Yemen, my minor occultation began following the major occultation. And a while after the minor occultation ended and Saddam was captured, it made me very sad and it was as if Iraq was defeated on that day and sadness was renewed in my heart. But Allah revealed to me after this that Saddam Hussein was the Sufyani ... "

All Muslims know that the Sufyani is the owner of a banner of misguidance and that he is fought by the Yamani, the owner of the banner of guidance. Whereas not only did this liar, Nasser Muhammad, fail to fight the Sufyani according to his belief, but rather he went to defend him and was saddened by his death. And if he still defends his oppressive brothers from the tyrants whose names he mentioned, and only Allah knows about his relationship with others that we do not know about, then what binds him to the truthful religion of Allah that is first and foremost based upon disbelieving in the tyrant?

That is only a part of what this false claimant said, and I left out much more in the hope of making this brief.

NASSER MUHAMMAD: AN INSOLENT LIAR BY HIS OWN ADMISSION

Nasser “the Liar” Muhammad claimed to be an opponent of Imam Ahmed al-Hasan PBUH, and he began demanding a mubahala from him; however, a quick review of his statements reveals that this man was in need of better manners before his self enticed him to do what he has done. And anyone can observe his poor manners by his responses.

Anyway, between your hands is the statement of the cursed Nasser Muhammad containing **his mubahala**, and I highlighted it in **red**. It also contains his call to Imam Ahmed al-Hasan to answer to his mubahala, and I have also underlined the condition he himself makes, which if left unfulfilled will demonstrate that he is a deceiving liar. He says,

“In the name of Allah, the Abundantly Merciful, the Intensely Merciful.

From the true awaited Mahdi Imam Nasser Muhammad al-Yamani to Sayed Ahmed al-Hasan, the messenger of the accursed Satan, as I am the true awaited Mahdi, the supporter of Muhammad the Messenger of Allah PBUHAP, Imam Nasser Muhammad al-Yamani and I only know of twelve Imams from the progeny of the Messenger of Allah PBUHAP, the first of whom was Imam Ali bin Abi Talib PBUH and the last of whom is the true awaited Mahdi Imam Nasser Muhammad al-Yamani, and I have not sent you. And I swear by Allah the Great that you are from the liars and deceivers who lie about Allah and his Messenger, the trustworthy Ummi. As for who you claim to be meeting, I swear by Allah that you are not meeting anyone except an accursed satan just as the human satans of the Jews used to meet them. And you want to misguide the people from the straight path, but I, the true awaited Mahdi from the Lord of the worlds, Imam Nasser Muhammad al-Yamani call you for a mubahala so that Allah can disfigure the liar from among us into a pig as a sign for the worlds so that the people will believe the other.

We have not started the mubahala yet, but I am still calling you to the mubahala on my website, the website of Imam Nasser Muhammad al-Yamani. And if you wish, we can make it on the website of those who have accepted your statement. So if you do come to that website

or to my website for the mubahala, if Allah does not disfigure you into a pig within one second following the mubahala, then I am not the true awaited Mahdi. And the one between the two of us who does not show up is an insolent liar. And let the people of this website not delete the statement of Nasser Muhammad al-Yamani so that you can all see whether Ahmed al-Hasan al-Iraqi, who calls himself the Yamani, is truly a messenger from Muhammad al-Hasan al-Askari, or whether he is an insolent liar; rather, a messenger of the accursed Satan. And perhaps Sayed Ahmed al-Hasan al-Iraqi al-Yamani will come for the mubahala while I am not present on this website, or perhaps the owners of this website will ban my membership so that I will not respond to the mubahala.

For that reason, I will write the mubahala now: 'O Allah, I ask You by the right of "There is no god except You" and by the right of Your mercy which You have prescribed upon Yourself, and by the right of the great paradise of the satisfaction of Yourself, if You know that Nasser Muhammad al-Yamani is not the true awaited Mahdi from You, then may the curse of Allah, the angels and all people be upon him, and make me a pig as a lesson for those who falsely claim to be the Mahdis from the worlds, if Ahmed al-Hasan al-Yamani is from the honest ones and if he is the messenger of the awaited Mahdi, the vicegerent of Allah, the Lord of the worlds. And if Ahmed al-Hasan comes to us with the mubahala and Your servant is not present, O Allah, You who exists and who created existence, the One who resurrects the dead, Raiser of the sky without columns, Settler of the earth with stakes, Destroyer of Aad and Thamud, the One who made the strong Pharaohs drown, I ask You to transform Ahmed al-Hasan al-Yamani into a pig immediately and within the first second after he responds to us with the mubahala. It is Your command, O Allah, that if You want something, You tell it to be so it becomes so. You are the Hearing, the Knowledgeable, as he does not defy me, rather he defies You, my Lord, as he knows that he is upon clear misguidance, and if he repents and does not appear for the challenge, then do not transform him into a pig; perhaps he repents and returns to You. And Your mercy encompasses all things, and You are the Most Merciful of the merciful ones.'

Allah has not given authority to Muhammad al-Hasan al-Askari or Ahmed al-Hasan al-Iraqi who calls himself al-Yamani. And if Ahmed

al-Hasan al-Iraqi comes forward with the mubahala on this website or on my website, the website of Imam Nasser al-Yamani, and if he does not turn into a pig after he presents himself and within one second of the mubahala, then Nasser Muhammad al-Yamani is an insolent liar and is not the awaited Mahdi, the twelfth Imam of the purified Ahlulbayt from the lineage of al-Hussain son of Ali son of Abu Talib. And if he does turn into a pig within one second of the mubahala, then the Shia will know that Ahmed al-Hasan al-Yamani is meeting with an accursed satan and is a messenger of an accursed satan and that Allah has not given authority to him or to Muhammad al-Hasan al-Askari. So do not let the administrator of this forum delete my statement so that we can see which one of us is an insolent liar, Ahmed al-Hasan al-Yamani or Nasser Muhammad al-Yamani and so that no one misguides this nation from the righteous path because no doubt that one of them is a liar. And leave Nasser Muhammad al-Yamani and Ahmed al-Hasan al-Yamani to see which of us is an insolent liar. He will not, will not, will not come forward because he knows that he is an insolent liar and I am wary of any trickery as perhaps one of the ignorant ones wishes to reply to me saying that he is Ahmed al-Hasan al-Yamani and thus calls me to the mubahala and I swear by Allah the Great, the Most High, that Allah will turn him into a pig, shame him greatly, and make him a lesson for the people he has between his hands and the future ones. **Therefore, no one should make the mubahala with me except Sayed Ahmed al-Hasan who says he is a messenger from Imam al-Mahdi.** And I testify to Allah that he is a messenger of an accursed satan. So if he does come forward with the mubahala and Allah does not change him into a pig within the first second of the mubahala, then it is proven that he is truly a messenger from Imam al-Mahdi Muhammad al-Hasan al-Askari and it is proven that he is in the basement of Samara and it is proven that Nasser Muhammad al-Yamani is an insolent liar. So we will see and decide who is the insolent liar, O Ahmed al-Hasan al-Iraqi. So repent to Allah or come to this website to start the mubahala if you are telling the truth, and peace be upon the messengers and all praise be to Allah, Lord of the worlds.

This statement was written personally by the awaited Mahdi, the twelfth Imam of the purified Ahlulbayt, the vicegerent of Allah upon the people, the supporter of the Ummi Prophet Muhammad ﷺ

the Messenger of Allah, Imam Nasser Muhammad al-Yamani. I call you to the mubahala so that Allah turns the liar among us into a pig as a sign for the worlds so that the people will believe."

And according to the conditions this accursed man placed upon himself, Imam Ahmed al-Hasan PBUH would not remain for one second following this mubahala with Nasser Muhammad. So let us see what happened:

On the 3rd of Safar, 1434 A.H., the 17th of December, 2012, Imam Ahmed al-Hasan wrote the text of his mubahala to this imposter, and he published it on both his official Facebook page, personally authored by him PBUH, and the website of Nasser Muhammad the insolent liar.

And this is the statement of the mubahala by Imam Ahmed al-Hasan and his response to this accursed man. He says,

"On this page, I saw that someone posted a letter directed to me from a person named Nasser Muhammad who falsely claims to be the Mahdi, lying and with no legitimate proof. So he is like Musaylimah and Sajah and other liars in the time of the Messenger of Allah Muhammad PBUHAP. And this liar, Nasser Muhammad, requests to make a mubahala with me, and in his statement, he wrote a mubahala in a format different than the legitimate format, due to his ignorance about the legitimate format of a mubahala.

Anyhow, with his mubahala and with what he stipulated for himself, he made it easy for us to prove our truth to him and to others who are deluded about his honesty. And he made it easy for us to prove his falsehood and his lying to them.

In his statement, Nasser Muhammad said, 'And after we make our mubahala, if Allah does not disfigure you into a pig within a second after the mubahala, then I am not the truthfully awaited Mahdi.'

He also said, 'And Allah has not sent down any authority for Muhammad al-Hasan al-Askari or for Ahmed al-Hasan al-Iraqi, who calls himself the Yamani. And if Ahmed al-Hasan al-Iraqi shows up for the mubahala on this website or on my website, the website of Imam Nasser al-Yamani, and after his presence and the end of the mubahala, if within the first second Ahmed al-Hasan does not transform into a pig, then Nasser Muhammad al-Yamani becomes the insolent liar and not the Imam who is the awaited Mahdi.'

And he also said, 'And observe [the mubahala] between Nasser Muhammad al-Yamani and Ahmed al-Hasan al-Yamani, and see which of us is the insolent liar, but he will not, will not and will not show up.'

So here I am, I am present for the mubahala after I received the statement of Nasser Muhammad.

And by my presence, it is made clear he is a liar, as he repeated 'will not' three times, and as some say that in the Arabic language, this means emphasis, meaning that the one saying it is saying that the action after the "will not" will never occur no matter how much time passes. So Nasser Muhammad said 'will not, will not and will not show up,' and here I am, I showed up and made the mubahala with him and Nasser Muhammad is shown to be a liar.

And this is my mubahala for the one called ((Nasser Muhammad)). I am writing it myself and publishing it on my page and on his website like he requested, to prove that I am honest and that Nasser Muhammad is an insolent liar by his own conditions:

'O Allah, Lord of the seven skies and Lord of the seven earths, Knower of the unseen and the witnessed, the Abundantly Merciful, the Intensely Merciful.

If Ahmed al-Hasan has truly committed disbelief and claimed falsely, then send upon him a calamity from the sky or a painful torment.

And if Nasser Muhammad has truly committed disbelief and claimed falsely, then send upon him a calamity from the sky or a painful torment.'

And this is the mubahala in accordance with the Quranic text, the Almighty said, ﴿Then whoever argues with you about it after [this] knowledge has come to you say, "Come, let us call our sons and your sons, our women and your women, ourselves and yourselves, then make the mubahala and invoke the curse of Allah upon the liars.">﴾ Surat *Aal-e-Imran* (The Family of Imran) 3:61.

And after I have written the mubahala by the legitimate format and published it, nothing has happened to me but good. And here I am, after making the mubahala with this liar, enjoying the blessing of Allah and His favor, so now it is made clear to Nasser Muhammad and those whom he has deceived that I am the truth and that Nasser Muhammad is an insolent liar according to his own condition that he stipulated upon himself, as Nasser Muhammad said,

'Therefore, no one should make the mubahala with me except Sayed Ahmed al-Hasan who says he is a messenger from Imam al-Mahdi. And I testify to Allah that he is a messenger of an accursed satan. So if he steps forward for the mubahala and Allah does not transform him into a pig within the first second of the mubahala, then he proves that he is truthfully a messenger of Imam al-Mahdi Muhammad al-Hasan al-Askari, and he proves that he is in the basement of Samara and he proves that Nasser Muhammad al-Yamani is the insolent liar.'

So here I am, I made the mubahala with Nasser Muhammad and with this I proved to Nasser Muhammad and to those whom he deceived that I am the truth and that my father Muhammad bin al-Hasan is the truth and is existent, and I proved that Nasser Muhammad is an insolent liar according to what he stipulated for himself. Therefore, his call is invalidated as a whole and in detail. And there is no excuse before Allah for whoever follows him or believes him after this day and after I proved with the absolute proof that he is an insolent liar and according to his own conditions.

As for Nasser "the Liar" Muhammad's repetition of the lie of the Wahhabis and Ibn Taymiyya, that the Shia say that Imam Muhammad bin al-Hasan al-Askari PBUH exists in the basement, it makes the people more insightful about his lying and deviation from the truth, as this is the era of the internet and any person can acquire any piece of information easily, and the books of the Shia are present and can be referred to in order to know that they do not say that Muhammad bin al-Hasan is in the basement, and this is a lie repeated by the Wahhabis and by this liar Nasser Muhammad, may Allah embarrass him.

And finally, I call Nasser Muhammad to repent and revert from his satanic and false call, as his consequence will be worse than the consequence of the liars who claimed prophethood in the time of my grandfather, the Messenger of Allah Muhammad PBUHAF, and Allah will embarrass him in this world and the hereafter.

The Almighty said, ﴿And when a sign comes to them, they say, "Never will we believe until we are given like that which was given to the messengers of Allah." Allah is most knowing of where He places His message. There will afflict those who committed crimes debasement before Allah and severe punishment for what they used to conspire.﴾ Surat *al-Anam* (The Cattle) 6:124."

And instead of this insolent liar repenting to Allah, which was the condition he himself made, and instead of ceasing to misguide the people, and even after the truth of Imam Ahmed al-Hasan was proven by the condition he himself made, the new Musaylimah made a miserable attempt to justify the scandalous truth, so let us see what it is.

A DESPERATE ATTEMPT TO ESCAPE THE SCANDAL

Nasser Muhammad made a wretched and desperate attempt to escape the result of the mubahala, which proved him to be an insolent liar according to his own conditions, and this was after Imam Ahmed al-Hasan posted his mubahala on his official Facebook page and on the website of Nasser “the Liar” Muhammad.

Afterwards, this accursed man surprised his followers with a response that not even Musaylimah the Liar would come up with, in order to justify his escape from the result of the mubahala. And after Nasser Muhammad and Imam Ahmed al-Hasan both wrote their mubahala, the following was posted by the Musaylimah of his time:

“The response of Imam al-Mahdi Nasser Muhammad al-Yamani to Ahmed bin al-Hasan al-Yamani al-Iraqi ... In the name of Allah the Absolutely Merciful, the Intensely Merciful, and peace be upon the prophets of Allah and His messengers, from the first to the last. And peace be upon their purified progeny, and we do not distinguish between them and we are Muslims to Him. And after all [the introductions],

May the peace, mercy and blessings of Allah be upon you, my beloved supporters and foremost righteous ones, and may the peace of Allah be upon all truth-seekers. So be witnesses to the truth between Imam al-Mahdi Nasser Muhammad al-Yamani and Ahmed bin al-Hasan al-Yamani al-Iraqi. If he was the one who wrote the mubahala then I say to him:

O Ahmed Hasan al-Iraqi, indeed I called you to a mubahala many years ago and you did not respond, but I call you to a mubahala fol-

lowing a discussion because the law of the mubahala, according to the Book, comes after a discussion and presenting the proof to the people with knowledge, and whoever has the proof of knowledge presented to him and turns away, then the role of the mubahala comes into play between the two parties, affirming the saying of Allah SWT, ﴿Then whoever argues with you about it after knowledge has come to you, say, "Come, let us call our sons and your sons, our women and your women, ourselves and yourselves, then perform the mubahala and invoke the curse of Allah upon the liars.﴾ Surat *Aal-e-Imran* (The Family of Imran) 3:61. And on this basis, I, Imam al-Mahdi Nasser Muhammad al-Yamani testify to Allah, to my supporters, to the foremost righteous ones and to all the truth-seekers in the worlds that I call Ahmed Hasan al-Yamani al-Iraqi to a discussion and then each one of us will present the proofs upon the people with knowledge from the explicit verses of the Great Quran, and then the role of the mubahala comes into play between Imam Nasser Muhammad al-Yamani and his opponent Ahmed bin al-Hasan al-Yamani al-Iraqi. As for the platform of discussion, I invite him to my website (the website of Imam al-Mahdi Nasser Muhammad al-Yamani Islamic Forums of al-Bushra), and if he rejects then we will agree upon a neutral website and begin our discussion and the mubahala therein, O Ahmed al-Hasan al-Iraqi, because the fundamental condition of the mubahala is to present the proofs to the opponent with knowledge, even if pride in the sin takes hold of him after it is clarified to him that he is upon clear misguidance, and he dares to make the mubahalah. And then the judgement of Allah takes place between the two parties and He is the best of judges. And we eagerly await the reply, and peace be upon the messengers, and all praise be to Allah, Lord of the worlds ... Imam al-Mahdi Nasser Muhammad al-Yamani."

In response to this fool, I say:

First: you should have introduced yourself as "The Insolent Liar" instead of "Imam"; and I believe that the reason behind that has become clear to everyone. What happened to the condition you made previously, that if Ahmed al-Hasan responds to your mubahala and remains safe one second after the mubahala then he is honest and you are a liar?? Here is what you said in your own statement, perhaps you have forgotten what Iblis (may Allah curse him) instructed you to say.

You said, “If Allah does not disfigure you into a pig within one second following the mubahala, then I am not the true awaited Mahdi.”

And the pure Imam, Ahmed al-Hasan PBUH, did not have fulfilled upon him what your malicious self wished for, and praise be to Allah. Therefore, you are not “the true awaited Mahdi” and this is by your own confession.

You also said, “Allah has not brought down proof about Muhammad al-Hasan al-Askari or for Ahmed al-Hasan al-Iraqi who calls himself al-Yamani and if Ahmed al-Hasan al-Iraqi does show up for the mubahala on this website or on my website the website of Imam Nasser al-Yamani and after he shows up and ends the mubahala after the first second if Ahmed al-Hasan al-Yamani does not turn into a pig then Nasser Muhammad al-Yamani is a deceiving liar and is not the awaited Imam Mahdi.”

The first second has passed; moreover, hours and days have passed since the mubahala of Imam Ahmed al-Hasan which he published on your website and on his personal and official Facebook page, and what you mentioned did not happen, therefore “Nasser Muhammad al-Yamani is the insolent liar and is not the awaited Mahdi”, isn’t that so?! This is by your own confession, so read it if you know how to read.

As for your mentioning of the word pig in your statement, I think you are more worthy of it, especially since Allah has abandoned you and publicly exposed you. And the truth is, you are lying against Allah, His Messenger and the Imams of guidance. If you were from Him SWT, He would not have left you to rely on your malicious self, so that you would judge yourself to be a liar before anybody else would, and he would not have let your scandal be written by a servant of His whom He has favored by allowing him to support his truthful Imam, Ahmed al-Hasan, and he would not have let the truth-seekers and the just ones see it as clear as the sun. And this is the end result of all the false claimants and hellfire is catching up with you, and it is the worst destination.

Moreover, I am certain that if your forefather Musaylimah the First was present and if he saw your obvious manipulation of the religion of Allah, he would spit in your face to increase its misfortune and impurity, for people would bring him to bless the water in wells that had little water [and therefore increase its amount], but as soon as he would spit in them, the water would recede. And I do not believe that your

status is better than his, so know that your consequence is the same as his unless you repent to Allah and stop lying, making false claims and deceiving the people.

Second: the mubahala has occurred and many have witnessed it, so what is the meaning of your retreat from its results?! Is it because, for instance, the one who supposedly sent you abandoned you? Or do you believe that he has promised you victory and then broke his promise?? Or he has put you in this situation, and then fallen asleep and forgotten about you?! If so, you are truly sent not by Allah, but rather by satans who took it upon themselves to send you to a group of poor people so that you would deceive them and cause them to fall with you into the abyss of hell.

Third: are you not ashamed of saying that the role of the mubahala comes into play after a scientific discussion? Then what does it mean that you wrote your statement of the mubahala before it? Shall I keep repeating your words, time after time? Listen to them if you really do have ears:

“ ... For that reason I will write the mubahala now: ‘O Allah, I ask You by the right of ‘There is no god except You’ and by the right of Your mercy which You have prescribed upon Yourself, and by the right of the great paradise of the satisfaction of Yourself, if You know that Nasser Muhammad al-Yamani is not the true awaited Mahdi from You, then may the curse of Allah, the angels and all people be upon him, and make me a pig as a lesson for those who falsely claim to be the Mahdis from the worlds, if Ahmed al-Hasan al-Yamani is from the honest ones and if he is the messenger of the awaited Mahdi, the vicegerent of Allah, the Lord of the worlds. And if Ahmed al-Hasan comes to us with the mubahala and Your servant is not present, O Allah, You who exists and who created existence, the One who resurrects the dead, Raiser of the sky without columns, Settler of the earth with stakes, Destroyer of Aad and Thamud, the One who made the strong Pharaohs drown, I ask You to transform Ahmed al-Hasan al-Yamani into a pig immediately and within the first second after he responds to us with the mubahala. It is Your command, O Allah, that if You want something, You tell it to be, so it becomes so. You are the Hearing, the Knowledgeable, as he does not defy me, rather, he defies You, my Lord, as he knows that he is upon clear misguidance and if he repents and does not appear for

the challenge, then do not transform him into a pig; perhaps he repents and returns to You. And Your mercy encompasses all things, and You are the Most Merciful of the merciful ones.”

And the question is, did you or did you not know at the time that the condition of the mubahala is to present a dialogue before it?

If you say that you knew, then why did you go against the laws of the Book of your Lord if you truly believe in it? You made your mubahala and admitted yourself that you are a liar if what you promised was not fulfilled, and indeed you turned out to be a liar by your own admission. And if you say that you did not know, then you are ignorant, a falsifier and a liar as well. How can you, the one who is ignorant of the Book, have the audacity to claim that you are an imam, and moreover, how can you claim that you are more knowledgeable than all of the creation including the Messenger of Allah and his pure progeny, as we have seen from your disbelief and audacity? And I seek refuge in Allah from what you say.

A FINAL WORD TO HIS MISGUIDED FOLLOWERS

And to those who still follow him I say:

Allah says, ﴿⁷¹The Day We will call forth every people with their Imam. Then whoever is given his record in his right hand — those will read their records, and injustice will not be done to them, even as much as a thread [inside the date seed]. ⁷² And whoever is blind in this [life] will be blind in the Hereafter and in the path more astray.﴾ Surat *al-Isra* (The Night Journey) 17:71-72.

The case is now clear about the one you are following; he is merely an ignorant slanderer and a liar who fabricates and lies against Allah and claims what does not belong to him, therefore he is misguided and misguiding, and an imam calling you to the hellfire. Allah SWT says,

﴿And We made them imams inviting to the Fire, and on the Day of Resurrection they will not be helped.﴾ Surat *al-Qasas* (The Stories) 28:41.

So fear Allah and return to your senses, and know that you will be asked by Allah SWT, so repent to your Lord and do not insist on follow-

ing this blind man on a misguided path.

And come to the truth to which your Lord testified, and I call upon you to support Imam Ahmed al-Hasan, the caller to Allah and the Mahdi of the nation of Muhammad, who has come to you with the proof of the law of Allah concerning His vicegerents, and who has claimed the Will of Muhammad the Messenger of Allah PBUHAF, and has brought forth tens of other narrations from Muhammad and his purified progeny PBUT that are in the books of the Muslims mentioning him by name, lineage, attributes, residence, argument and all that concerns his matter, and who came to you with the testimony of Allah to him through thousands of visions of the prophets and messengers that confirm his righteousness and honesty. And before you is his knowledge by which he established his proof upon the people of every book using their own book. And anything other than the truth can only be misguidance.

All praise be to Allah, the Lord of the worlds, and may the prayers and peace of Allah be upon Muhammad and the progeny of Muhammad, the Imams and the Mahdis.

Alaa al-Saalim
